MISCELLANEOUS DEPARTMENTS

DEPARTMENT OF AGRICULTURE IN MYSORE.

LIVE STOCK SECTION, BANGALORE.

Notification dated 14th May 1935.

Notice is hereby given that consolidated sealed tenders from approved contractors for all or any of the institutions for all the items specified under that institution will be received up to 2 P.M. on Saturday the 15th June 1935 by the Director of Agriculture, in his office at Seshadri Road, Bangalore, for the supply of all articles for each institution as specified in annexure for one year from 1st July 1935 to 30th June 1936 as per particulars noted in the attached list. The tenders will be opened by the Director or in his absence from headquarters on tour, by his Gazetted Assistant at 4 P.M. on the 24th June 1935 in the presence of as many tenderers as may choose to attend and the rates will be read out to them.

2. The quantity of each kind mentioned is only approximate and cannot be guaranteed. They must be supplied in such quantities and at such intervals as the undersigned may choose to order.

3. Rates quoted must be per unit given in the list for delivery at the farms mentioned in the annexure and the amount of each item must be worked out for the quantities indicated and the total amount of all the items should also be given. Tenders without all the particulars required may not be considered. No erasures or overwritings in the entries in the money column should be made. All corrections shall be made neatly in red ink over the corrected figures and duly attested by the tenderers.

4. Tenders must be given in the accompanying form, must be accompanied by samples of each article and must be superscribed "Consolidated tender for the supply of all the articles required for (here mention the name or names of the institution) of the Live Stock Section, Department of Agriculture, Bangalore, for 1935-36." The supplies are to be made according to the approved samples.

5. No tenders will be received unless accompanied by a receipt for Rs. 100 deposited in the State Huzur Treasury at Bangalore, as earnest money for tenders to the credit of the Live Stock Expert, Department of Agriculture, Bangalore. No cash payment will be accepted.

6. The acceptance of tenders will rest with Government.

7. Intimation of acceptance of the tender will be given to the successful tenderer in writing.

8. Within three days after receipt of such acceptance, the successful tenderer will be required to execute the contract bond on the usual Government paper in the prescribed form in default of which, his tender will be considered cancelled and his deposit money will be confiscated to Government. His supply should commence from 1st July 1935 or within seven days of order, whichever is the later date.

9. On acceptance of the tenders, arrangements will be made to refund the earnest money of the unsuccessful tenderers on a date to be notified to them in writing. No further enquiries regarding acceptance or rejection of tenders will be attended to. The successful tenderer will have to furnish security in a sum equal to 5 per cent of the total value of the accepted tender on intimation to

him before executing the bond required. The earnest money of Rs. 100 furnished by the successful tenderer will be refunded after he furnishes the security. The security amount will be returned to him on the termination of contract at the end of the period.

10. The contractor or his authorised agent is required to supply the articles within three days of the date of the order.

11. The decision of the undersigned in all questions of acceptance or rejection of articles supplied is final.

12. The contractor must be prepared to supply any other articles not specified in the list, at market rates, on reasonable notice.

13. No application from the contractor for any sort of concessions whatever in consequence of the rise in the prices of the articles in the market due to scarcity, or other causes, will be considered.

14. No advance of cash will be made to the contractor. On production of necessary accounts and vouchers in support of his bills payment for all articles supplied will be made as soon as possible after supply. The contractor should prefer one bill for all supplies made during a month. In payments, the contractor must accept the following rules of Government :—

(*i*) In payments to be made to contractors, fractions of a rupee in the totals of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fractions of less than half a rupee will be disregarded and half a rupee and over taken as a rupee.

(*ii*) The totals of bills for less than Rs. 25 will be rounded to the nearnest anna (fractions below half anna being omitted and half anna and over being reckoned as one anna).

15. The contract must not be sublet.

16. If owing to the delay in his supply the undersigned is forced to purchase the articles elsewhere, such purchase will be done at the risk of the contractor and any amount over and above his scheduled rate spent in doing so, will be recovered from him.

17. A fine not exceeding Rs. 20 will be levied, at the discretion of the undersigned, for every infringement of the contract in addition to recovering from his amount, if any, under clause 16 and if the stipulations of the contract be frequently violated, the contract will be annulled and security confiscated to Government at the discretion of the undersigned.

18. Any other information may be had from the undersigned between 11 A.M., and 5 P.M. in his office, on working days.

19. The cost of containers such as tins, etc., should not be separately charged but the rates quoted should include the cost of these also. The containers will not be returned. The cost of gunny bags (supplied with feed-articles) should not be charged and the rates quoted for the feed-articles should not include their cost. The relative gunny bags will be returned to contractors.

N.B.—Payment will be made only on the weight of the articles supplied.

OFFICE OF THE JUNIOR ASSISTANT BOTANIST, KAR RAGI BREEDING STATION, HUNSUR.

Notification dated 23rd May 1935.

Sealed tenders will be received by the undersigned up to 2 P.M. on Monday the 24th June 1935, for supply of Cattle Feed and Miscellaneous Articles required for the Kar Ragi Breeding Station, Hunsur, during the official year 1935-36, *i.e.*, from 1st July 1935 to 30th June 1936. The tenders will be opened by the undersigned at 3 P.M. on 24th June 1935 before such of the tenderers who are present at that time and the rates will be read out to them.

The approximate quantities and description of the articles required are given in the Statement given below. Tenders should be superscribed "Tender for the supply of Cattle Feed and Miscellaneous Articles for the Kar Ragi Breeding Station, Hunsur during the year 1935-36."

An earnest money of Rs. 100 should be deposited in Hunsur Taluk Treasury in favour of the Junior Assistant Botanist, Kar Ragi Breeding Station, Hunsur and the Treasury Chellan obtained therefor should accompany the tender without which the tender will not be received.

Tenders should quote for the delivery of the articles on the Breeding Station, Hunsur. The farm weights and measures will be taken as standard in taking delivery of feed articles.

The quantities given in the Statement are only approximate and the actual quantities to be purchased during the year may be either more or less. If the quantities more than those mentioned in the schedule are required, the successful tenderer will be bound to supply such additional quantities at the same accepted rate.

No claim for compensation on account of rise in prices due to whatever causes will be entertained during the contract period.

The successful tenderer should be prepared to supply such quantities of various articles as may be required from time to time—such indents being complied with within two days from the date of their receipt.

Final acceptance of the tender rests with the Director of Agriculture who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

The name of the successful tenderer will be intimated in due course and he will be required to execute an agreement within three days from the date of acceptance of tender.

Fractions of a rupee in the totals of bills amounting to Rs. 25 or more will be rounded to nearest rupee, *i.e.*, fractions of less than half a rupee will be disregarded and half a rupee and over taken as a rupee. Totals of bills for less than Rs. 25 will be rounded to the nearest anna.

The articles to be supplied should be good and will be liable to be rejected at the expense of the tenderer if they are otherwise.

The earnest money deposited with the tender will be forfeited to Government if the tenderer whose tender is accepted fails to execute the necessary agreement. The earnest money of the rejected tenders will be returned.

Should the successful tenderer fail to comply with any of the conditions stipulated in the contract let to him, his contract shall forthwith be cancelled and the earnest money forfeited to Government. Further, in the event of failing to fulfil the contract within the specified time, the undersigned reserves the right to purchase against him in the open market at his risk and expense and claim damages.
